

Academic Planning

All UM students are required to prepare individualized plans for completing their degrees in a timely manner in accordance to the [Student Academic Success—Degree Completion Policy](#). In order to assist students prior to admission, prospective UM students are encouraged to create an [academic plan](#) as a part of the Pre-Transfer advising process. Upon matriculation to UM, students will work with an advisor to finalize an academic plan for graduation.

Academic Planning Steps

- Find the UM equivalents to your current and completed courses using the [Transfer Credit Center](#).
- Download the [degree requirements](#) and [four year plans](#) for your intended [UM major](#).
- Identify your remaining general education ([CORE](#)) and major requirements.
- Review the academic plans and [undergraduate catalog](#) for course sequences and prerequisites.
- Create an [academic plan](#) that outlines your remaining courses in a semester-by-semester format.
- Submit your academic plan for review to transferadvising@umd.edu .
